Welcome to the 1st Annual Varsity State Championships

Welcome to the 2011 Georgia Forensic Coaches Association 2011 Varsity State Championships! In the tradition of previous GFCA Tournaments, the weekend promises to be full of good times and great competition. Georgia has a long history of excellence, and this year is no exception. Georgia offered 27 tournaments this year, with some still to be held. Hundreds of students have been in hundreds of rounds, honing their skills, meeting new friends, friending them on Facebook. From a coaching standpoint, it was a challenging year for forensics competition. Economic downturns, school district cutbacks, and political juggernauts kept us all on our toes. But here we are, at a new GFCA State Tournament.

As an extemp coach, I find myself reading hundreds of quotations a year. One of my recent favorites is by Edward Lewis. He once said, "We define ourselves by the best that is in us, not the worst that has been done to us." I believe this is true in these challenging times. I want to personally thank each and every one of you for your hard work this year. It has been a pleasure working with you. A special thanks to the Richard B. Russell Foundation for their continued financial support of this fantastic activity. If you have any questions or concerns during the tournament, please don't hesitate to contact me or any other GFCA officer.

Yours,

Mario Herrera

Jim Wade

Congratulations to the 2011 Hall of Fame Inductee, Jim Wade

Jim Wade is being inducted to the GFCA Hall of Fame in 2011. Jim taught in Fulton County schools for 29 years. He was the head coach at Milton High School for a number of those years. He currently teaches at Georgia State University.

Jim has been one of the greatest contributors to our community of coaches. While head coach at Milton, Jim regularly put on coaching workshops at Georgia tournaments. In the past couple of years, Jim was also responsible for designing and instructing a Continuing Education course about coaching debate. Jim was the director of teacher training for the National Debate Project, an Atlanta Public Schools partner, where he worked with hundreds of teachers to develop competitive debate programs. Every summer, Jim has dedicated time to the Emory University Debate Institute to lead coaching seminars. A large number of our community has learned the basics about coaching from Jim.

In addition to this service, Jim also excelled as a coach at Milton. His teams at Milton were back to back GHSA State Champions in 2001 and 2002. His teams were always successful on the national circuit, including teams in the elimination rounds at the Tournament of Champions. As a result, Jim was named a Barkley Forum Key Coach in 2002. He always helped promote competitive and personal improvement in his students.

The GFCFA State Championship Historical Archive

Since 2002, the GFCFA has hosted a State Championship tournament. The event began from the inspiration of Chattahoochee High School coach Steve Stein and Henry W. Grady coach Lisa Willoughby. The concept of the tournament was to award state championships to other events that the GHSA did not.

From 2002-2004, Junior Varsity Policy, Novice Policy, and Varsity Lincoln Douglas were the only events that had a GFCFA State Championship. In 2004, most individual events had been added to the tournament for State Championships. In 2006, the GFCFA added the new debate event, "Ted Turner Debate" (now known as Public Forum Debate). In 2010, the GFCFA saw growth in Lincoln Douglas debate and began a Novice Lincoln Douglas division. This year, the GFCFA voted in the Fall Meeting to adopt a First and Second Year division for all forensics events. In total, the GFCFA awards 30 State Championships throughout the season.

A special thanks to Lisa Willoughby, Richard Bracknell, and David Gay for helping compile the historical archive of all the GFCFA State Championships.
